BIO

Flashback is a lifelong music enthusiast who lives and breathes music. Inspired by his DJ father, he has spent the past fifteen years mastering the art of manipulating music behind the turntables. Along the way, he has acquired his own equipment, honed his skills, and explored various musical realms, including production and radio. From starting his online radio show at the age of fourteen to landing his first radio mix-show gig and DJing at 21+ clubs, Flashback's journey has been marked by milestones. Flashback's unwavering dedication and talent have positioned him as a rising star in the music industry.
